

FLAT RATES – Mastering, Vinyl Cut, Dubplate, Mixdown

Calyx Mastering, 03/20/2008

Online Digital: Digital mastering (M6000, AudioCube)
for pretty good sounding material that needs more control and clarity
Non-attended session
Reference and master files (Wav, DDP) delivery via CALYX-FTP server
Up to 56% cheaper than Premium

Online Analog: **Analog** and digital mastering (same mastering quality as Premium!)
for material that needs warmth and physicalness
Non-attended session
One post reference adjustment without additional charge (if desired)
Reference delivery via CALYX-FTP server, master delivery as premaster CD, DDP or lacquer
Up to 25% cheaper than Premium

Premium: **Analog** and digital mastering (transfer to 1/2inch master-tape if desired)
for material that needs warmth and physicalness
Attended session incl. mix consulting
Stem mastering (from submixes - if desired)
Adjustments phases after delivery of reference CD included
Reference as audio CD, master as premaster CD, DDP or lacquer
